Report

Report your Training!

The first step in earning your Texas Waters Specialist certification is to earn eight hours of advanced training.

If you volunteer for more than one opportunity, select the opportunity for which you are reporting hours from the drop down menu.

Complete the Survey. Input the start and end date of your training, how many hours you trained, and to count these hours towards your certification. Click "OK."

Once you submit your training hours, your volunteer coordinator will review and approve them. Email your coordinator with questions.

You can now check out your hour log book on your dashboard by clicking "View Your Log Book."
